Recent deliberations of the Pichincha Province Central Committee of the Partido Comunista del Ecuador (PCE) have resulted in a plan of action to strengthen the Party at the cell level by insuring that each local cell is directed by energetic well-qualified individuals. Among the steps taken is the transfer of Simon PEREZ, a member of the Pichincha Executive Committee, from the Pedro Saad cell in Quito to the new Quito Goya cell, in order to strengthen the latter. Another measure ordered by the Provincial Committee is the selection of a complete slate of officers, including a Secretary of Propaganda for each cell.
